

# The Early Tudors Henry VII & Henry VIII

by Charles Edward Moberly

## The Early Tudors Henry VII & Henry VIII by Charles Edward Moberly

Following the chaos of the Wars of the Roses, the reigns of Henry VII and VIII were autocratic and centralized to an unprecedented degree. This slim volume by the British historian and educator, Charles Moberly, provides many interesting details about the reigns of these two monarchs. But the author also offers a clear picture of the European context in which they acted: the Reformation struggle, the rivalry between the King Francis I and Emperor Charles V, the influence of the Popes, and the struggle for Italy. (Summary by Pamela Nagami, M.D.)
